

Innovation that excites

2017 NISSAN PATHFINDER®*

Pathfinder, one of Nissan's best known and most popular nameplates in its nearly 60-year history in the United States, is reborn for the 2017 model year with more adventure capability, a freshened exterior look and enhanced safety and technology—pure Pathfinder taken to an even higher level of performance, technology and style.

Major exterior redesign

for 2017 with aggressive new styling featuring more adventure-style character and presence

Revised taillight and rear bumper design

presenting a more detailed, precision appearance

Standard Advanced Drive-Assist™ Display (ADAD)

located in the center of the instrument display between the tachometer and speedometer, features additional infotainment and driver assistance displays (versus the 2016 Pathfinder design)

Standard 8.0-inch touch-screen monitor

mounted in the middle of the instrument panel, provides intuitive interaction and control of a variety of driver-selectable vehicle systems and settings including the available NissanConnectSM Navigation¹

New hood and front bumper

projecting a wider stance and look

Available Motion-Activated liftgate

with liftgate position memory; a simple wave of the foot under the center of the liftgate activates the power opening function

New 3.5-liter DOHC V6

producing 284 horsepower and 259 lb-ft of torque—resulting in enhanced 0–60 mph acceleration, re-acceleration response and higher torque throughout the rev range

New Direct Injection Gasoline™ (DIG) system

which provides better wide-open throttle performance and emissions performance (versus a non-direct-injection system) by reducing engine knock, improving combustion stability and offering precise injection control

More than 56% new or new-to-Pathfinder engine parts and components

including combustion chamber design, pistons, intake manifold and e-VTC (fully electronic on intake)

Bold new front end

with Nissan signature V-Motion grille design and signature LED boomerang headlights² with LED Daytime Running Lights

¹ Driving is serious business. Only use NissanConnectSM Services powered by SiriusXM[®] when safe to do so. SiriusXM[®] subscription required, sold separately (after applicable introductory period). Visit www.NissanUSA.com/connect for any further details.

² Standard on Platinum grade

* The 2017 Nissan Pathfinder is not yet available for purchase. Expected availability in September, 2016. Pre-production model shown; see actual production vehicle when available for final details on features.
